

USUAL MEANS OF TRANSPORTATION FORM

ST. PETER SCHOOL
35749 Center Ridge Road
North Ridgeville, Ohio 44039

2007/2008

Dear Parents/Guardians:

For the safety of your child, we would like to officially know from you the usual means of transportation your child will use to return home from school each day. Whenever there is a change in this pattern, you will need to WRITE A NOTE. The child should give us this note to sign as soon as he/she comes to school in the morning. After signing the note, it will be returned to his/her teacher. In the past, we have had some potential problem situations averted because of this system. Thank you for your cooperation in helping us to ensure your child's safety.
